TEDx FaurotPark 2022 Signature Event

Lima, OH - TEDx FaurotPark is back! We are pleased to announce our second TEDx FaurotPark signature event to be held October 1, 2022 at the Veterans Memorial Convention and Civic Center in Lima, Ohio.

Our theme for 2022 is Humanity, from the Latin humanitas for “human nature, kindness.”

The entire focus of any TED or TEDx event is “Ideas Worth Spreading.” TEDx FaurotPark speakers bring new research to the stage. They bring new ideas to the stage. They bring new ways of thinking about common issues. The goal is to foster learning, inspiration, wonder, to provoke conversations that matter while creating connection and community.

TEDx FaurotPark Speakers must adhere to four strict content guidelines. There is no corporate agenda. There is no political agenda. There is no religious agenda. And every speaker gets fact checked. There is no bad science on the TEDx FaurotPark stage.

This doesn't mean speakers can't talk about corporations or politics or religion. It simply means there is no agenda beyond spreading ideas. No one is “selling” from the stage. TEDx FaurotPark, like all TED and TEDx events, is completely independent.

The application process is the same for every potential TEDx FaurotPark speaker. They complete the online application found at [TEDx FaurotPark.org](https://tedxfaurotpark.org). All applications are reviewed by our speaker selection team. Select applicants will be invited to the second round, which is an interview via zoom and the final speaker lineup will be publicly announced in May.

We are accepting applications for speakers until March 28, 2022.

Tickets will be available to the public at [TEDx FaurotPark.org](https://tedxfaurotpark.org) starting in August. In addition to the in-person event, TEDx FaurotPark will be live-streamed at [Facebook.com/TEDx FaurotPark](https://facebook.com/tedxfaurotpark).

About TEDx, x = independently organized event

In the spirit of ideas worth spreading, TEDx is a program of local, self-organized events that bring people together to

share a TED-like experience. At a TEDx event, TED Talks video and live speakers combine to spark deep discussion and connection. These local, self-organized events are branded TEDx, where x = independently organized TED event. The TED Conference provides general guidance for the TEDx program, but individual TEDx events are self-organized. (Subject to certain rules and regulations.)
